COLE & CO. ANNOUNCES LATEST COLLECTION

July, 2002 - - - Once again Cole & Co.'s vanities are gaining popularity in the Kitchen & Bath industry. The Dallas based manufacturer of vanities and accessories has redefined and improved the much admired "*Designer Series*" with the addition of many new pieces.

The first of Cole & Co.'s new "*Designer Series*" mirrors the grand architecture of European ethos but with a modern twist. The Butterfly Demilune, Regency Bombé, Fluted Oval, Highlander Demilune, Chinoiserie Travel Chest, Versailles Hall Chest, and Primavera Cabinet are all perfectly proportioned and balanced to fit in today's stylish interiors.

From provincial to contemporary, Cole & Co.'s "*Designer Series*" adds style and functionality to any interior. Comprised of chests and cabinets transformed by Cole & Co.'s own master craftsmen to easily accommodate plumbing and simple installation, each vanity has usable drawers or sturdy shelves for everyday convenience.

Currently available in over 350 authorized kitchen and bath showrooms throughout the United States, Cole & Co.'s vanities are versatile for every style and budget. To see more of Cole & Co.'s product range visit www.vanitybath.com.
